

# Front Loading Electric Dryer

Our compact dryers are intelligent enough to look after the entire drying process with minimal input from you, whilst also saving you ironing time. What's more, they are the right size for both your laundry and your wallet, with flexible placement options and low running costs. Our advanced condenser dryer is the perfect dryer for confined spaces as moisture is drained away rather than vented into the room.

**Features:**

Capacity:	6.5kg condenser dryer
Energy rating:	2 star
Operating noise:	66 dba
Drying cycles:	15
Power:	10 amp
Airflow:	200m <sup>3</sup> /hr
Dimensions:	600mm (W) x 850mm (H) x 640mm (D)
