

Microwave

A microwave that grills

With features such as integrated turntable design, quartz grill and diamond deflector, the Kleenmaid microwave ensures even heat distribution and cooking temperature for excellent cooking results. The separate grill function means you can use your microwave for more than just reheating food. Additionally you can enter your food type and the auto program function will calculate the most appropriate cooking time for you.

Features:

Capacity:	30 litres
Operation:	manual & semi automatic programs
Grill:	Closed door grilling
Power:	15 amp required
Timer:	Fully programmable electronic timer
Accessories:	Grill rack Round glass tray Duplex double tray Recipe book

Microwave

NOTES:

- MWK101X comes with trim attached and must be built-in.
- Trim will extend 5mm at top and bottom over cavity (450mm)
- Unit cannot be freestanding or installed under-bench due to venting and height requirement
- Minimum height above floor is 850mm due to front door temperatures
- Building-in diagrams shown from Use & Care Manual refers to spacers provided for minor height adjustment
- Trim Kit MWT901X also available to integrate with a TO901X oven

Model	Approval No.	Electrical Ratings	Comments
