

Wall Mounted Rangehood

**Forget everything you've seen
in the kitchen up to now:**

**Mini Om really is something
different.**

Exploiting the optimised aspiration system to the full, Kleenmaid has been able to source an object even the word "innovative" doesn't begin to describe: form and function have never seemed so far apart. Mini Om isn't a rangehood; it's a painting. Mini Om's exclusive synthesis of design, art and technology makes it unique in the kitchen... a rangehood with efficient functionality and whisper quiet operation. The size of your kitchen furniture may limit your possibilities, but Mini Om means you don't have to limit the scope of your creativity...
